

TRANSITIONING TO ZERO-EMISSION VEHICLES (ZEVs)?

Cal Fleet Advisor is here to help no matter where you are in the process.

THE SWITCH TO ZEVs CAN SAVE YOU MONEY!

- Are you a medium or heavy-duty truck fleet operator in California?
- Would you like to transition your fleet to zero-emission, or are you trying to make that change right now?
- Do you need assistance navigating through the options, regulations, services, and vehicle choices?

MAKE A SEAMLESS TRANSITION

Cal Fleet Advisor can guide you through the decision-making process of transitioning to ZEVs, tailor a plan specifically for your fleet, answer your questions, guide you through all the resources and funding options available to you—and do it all for free!
